**2011 Balloons and Tunes Festival Offers Many Opportunities to Volunteers**

Rock Spring, GA – Volunteers are still needed for the Balloons and Tunes Festival to take flight at the Rock Spring Industrial Park in Rock Spring, GA September 23 & 24, 2011. Volunteering for the Balloons and Tunes Festival is a great way to network, gain free admission to the festival as well as a free t-shirt, and experience this premiere event up close.

The Balloons & Tunes Festival features 20 plus acres of entertainment for the entire family, a variety of amazing hot air balloons, exciting musical performances, delicious food concessionaires, unique craft vendors, toddler, children' & teen areas and mobile exhibits. Volunteers will have the opportunity to choose which areas they prefer to work in, including balloons and rescue teams, clean-up, food and craft vendors, hospitality, information/souvenir sales, kids zone, parking attendees, runners, security, setup/takedown/secure boundaries and other miscellaneous tasks.

In addition, civic and church groups are welcome and encouraged to volunteer.

Interested persons are encouraged to visit [www.balloonsandtunesfestival.com/volunteers.php](http://www.balloonsandtunesfestival.com/volunteers.php) to fill out a volunteer application.

*For more Balloons and Tunes Festival information please visit: [www.balloonsandtunesfestival.com](http://www.balloonsandtunesfestival.com).*
