Vendor Applications Currently Being Accepted for the 2011 Balloons & Tunes Festival

Rock Spring, GA – The Walker County Chamber of Commerce is accepting vendor applications for the 2011 Balloons & Tunes Festival, which will be held on September 23 & 24 at the Rock Spring Industrial Park.

Several different types of vending opportunities are available including craft and information, activity and food.

Craft and information booths give businesses and retailers the opportunity to showcase their products and wares. The committee is currently searching for unique arts and crafts as well as local businesses who would like to showcase their services.

Activity vendors will have the opportunity to be placed into one of three zones including the Toddler Zone (ages to 4), Kids Zone (ages 5-12), and Teen Zone (ages 13 & up). These areas will include inflatables, bouncers, games, crazy hair, face painting and all things fun!

Food vendors are also needed at the event to help feed the 18,000 plus expected attendees. Unique fair foods are encouraged to apply.

In order to be considered for the event, each vendor must complete an application online. Applications may be found by visiting www.balloonandtunesfestival.com. Interested vendors should know that electricity hookups are available if needed. All vendors will be selected on a first come, first serve basis and must submit a recent photo of setup or business site.
